1.00 CE per session**  
**Thursdays from 12 – 1:00 PM ET**  
**Starting March 26<sup>th</sup> – June 25<sup>th</sup>**

**CLICK HERE TO  
REGISTER**

## OVERVIEW

This program is designed to provide faculty, clinical providers, community providers and anyone working with older adults with knowledge about geriatric issues and first-hand experience with important geriatric resources. It is our goal that learners can serve as resource persons in their settings. Over the course of 14 weeks, participants will learn from experts about topics ranging from Healthy Aging through End of Life for older adults including Geriatric Syndromes, Social Determinants of Health, Alzheimer's Disease and Related Dementias, Medicare and more. The course consists of weekly online lectures via ZOOM and for those unable to attend lecture recordings will be available in a learning management system. Participants that attend all 14 one-hour sessions will be eligible for a drawing for one of two \$100 gas cards (grant members are not eligible). The webinar series course is approved for CME/CE hours for physicians, nurses, social workers, counselors and MFTs.

## CONTACT

If you have any questions about this course, please contact Denise Kropp (djkkropp@neomed.edu) or Haley Prestwich (hprestwich@neomed.edu).

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the sponsorship of Northeast Ohio Medical University and Geriatrics. ## REGISTER

### OBJECTIVE 1

Increase the learner's knowledge of important issues in aging from healthy aging to end of life for the older population.

### OBJECTIVE 2

Learners will have the ability to define and learn how to improve practice in the care of older adults.

### OBJECTIVE 3

Provide increased sense of competence, connectedness and support for interdisciplinary teamwork in the care of older adults.

### OBJECTIVE 4

Expand learner awareness of community resources available in the care of older adults.
